ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on February 5, 2009. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matters requiring attention prior to docketing.

EXAMINER'S ANSWER
GROUND OF REJECTION TO BE REVIEWED ON APPEAL

A review of the file finds that the grounds of rejection to be reviewed on appeal of the claims as provided in the Examiner's Answer mailed October 30, 2008 under the heading "Grounds of rejection to be Reviewed on Appeal" is either unclear or is not consistent with the grounds of rejection of claims set forth in the last Office action of record. The grounds of rejection to be reviewed on appeal as provided in the Examiner's Answer must be consistent with the last Office action of record, **including any Advisory action responsive to any after final submissions**. Furthermore, the examiner must provide a clear statement of whether examiner agrees or disagrees with the statement of grounds of rejection to be reviewed as set forth in the brief and an explanation of any disagreement. *See also Manual of Patent Examining Procedure* (MPEP) § 1207.02 (8th ed. Rev. 6, Sept 2007) for details.

A review of the Examiner's Answer finds that it is unclear what rejected claims are on appeal as compared to the Appeal Brief and/or the Examiner's Answer does not clearly address differences between rejections set forth in the Examiner's Answer and those addressed in the brief.

Clarification of the record is required for all Grounds of rejection to be reviewed on appeal for all claims.

EXAMINER'S CONSIDERATION OF REPLY BRIEF

A Reply Brief was filed in this application on December 30, 2008.

There is no evidence on the record indicating that the Examiner has considered the Reply Brief in accordance with 37 CFR CFR § 41.43(a)(1) and MPEP § 1208, part II.

Accordingly, it is **ORDERED** that the application be returned to the Examiner:

- 1) to vacate the Examiner's Answer mailed October 30, 2008;
 - 2) to generate a new Examiner's Answer setting forth the correct Grounds of rejection to be reviewed on appeal and to correct other sections of the Answer as may be required;
 - 3) and to include the approval of the TC Director or his/her designee (as required for any new grounds of rejection);
 - 4) consider the Reply Brief filed December 30, 2008 as indicated above;
- and

Application No. 10/712,005

5) such further action as may be required.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
